919-820-3405      We are selling our 2015 Rockwood Mini Lite camper. We just don't use  
it like we thought we would. We initially bought it to "live" in while we  
were remodeling our house but we didn't have to do that. We have  
taken it on four trips if I remember right and it has been perfect every  
time. It comes with a ton of extras. It sleeps 4; it has a Morgan bed  
and the table converts to a bed. The couch also folds flat. The camper  
is decorated with matching colors, curtains and pillows. The built-in  
radio system is a Genesis Technologies and Bluetooth capability, (see  
photo for additional functions) and it has speakers throughout the  
camper and and two on the outside. There is a mounted Furrion TV  
that can be taken from the inside and mounted to the outside of the  
camper under the awning. There is tons of storage space as seen in the  
camper layout I have included. We are throwing in a gas grill (with the  
bag/cover) and the grill mounts to the camper under the awning,  
(complete with any hose and mounts/brackets needed). We bought a  
22 inch Blackstone tabletop grill that we will be leaving with the  
camper. There are two tire stabilizers, (one for each side of the  
camper) and they do wonders for reducing the rocking and moving  
after set up and you are walking inside. We are including the leveling  
hitch with stabilizer bars and sway bars, a new water hose, two septic  
hoses, and an outside black trash can. The awning is electric and is in  
great shape. We will also throw in the large outside rug we used after  
set up. I can't remember the measurements but it's huge. We have a  
clean title in hand. This camper is literally ready to hit the road, it has it  
all. Floor and ceiling are in perfect shape. It has been shelter kept  
since we bought it with the exception of the few trips we took. It is  
currently plugged in and the AC and refrigerator work great. Asking
