| 919-820-3405   | We are selling our 2015 Rockwood Mini Lite camper. We just don't use<br>it like we thought we would. We initially bought it to "live" in while we<br>were remodeling our house but we didn't have to do that. We have<br>taken it on four trips if I remember right and it has been perfect every<br>time. It comes with a ton of extras. It sleeps 4; it has a Morgan bed<br>and the table converts to a bed. The couch also folds flat. The camper<br>is decorated with matching colors, curtains and pillows. The built-in<br>radio system is a Genesis Technologies and Bluetooth capability, (see<br>photo for additional functions) and it has speakers throughout the<br>camper and and two on the outside. There is a mounted Furrion TV<br>that can be taken from the inside and mounted to the outside of the |

camper under the awning. There is tons of storage space as seen in the camper layout I have included. We are throwing in a gas grill (with the bag/cover) and the grill mounts to the camper under the awning, (complete with any hose and mounts/brackets needed). We bought a 22 inch Blackstone tabletop grill that we will be leaving with the camper. There are two tire stabilizers, (one for each side of the camper) and they do wonders for reducing the rocking and moving after set up and you are walking inside. We are including the leveling hitch with stabilizer bars and sway bars, a new water hose, two septic hoses, and an outside black trash can. The awning is electric and is in great shape. We will also throw in the large outside rug we used after set up. I can't remember the measurements but it's huge. We have a clean title in hand. This camper is literally ready to hit the road, it has it all. Floor and ceiling are in perfect shape. It has been shelter kept since we bought it with the exception of the few trips we took. It is currently plugged in and the AC and refrigerator work great. Asking \$12,500.
