919-894-7857 Looking for someone to trim horse and small donkey's feet. Both are
very well behaved. If no answer please leave a message.

2015 Rockwood Mini Lite camper, 23 foot long. It comes with a ton of
extras. It sleeps 4; it has a Morgan bed and the table converts to a bed.
The couch also folds flat. The camper is decorated with matching
colors, curtains and pillows. The built-in radio system is a Genesis
Technologies and Bluetooth capability and it has speakers throughout
the camper and and two on the outside. There is a mounted Furrion TV
that can be taken from the inside and mounted to the outside of the
camper under the awning. There is tons of storage space throughout.
We are throwing in a gas grill (with the bag/cover) and the grill mounts
to the camper under the awning, (complete with any hose and
mounts/brackets needed). We bought a 22 inch Blackstone tabletop
grill that we will be leaving with the camper. There are two tire
stabilizers, (one for each side of the camper) and they do wonders for
reducing the rocking and moving after set up and you are walking
inside. We are including the leveling hitch with stabilizer bars and sway
bars, a new water hose, two septic hoses, and an outside black trash
can. The awning is electric and is in great shape. We will also throw in
the large outside rug we used after set up. We have a clean title in
hand. This camper is literally ready to hit the road, it has it all. Floor
and ceiling are in perfect shape. It has been shelter kept since we
bought it with the exception of the few trips we took. It is currently
919-892-3405 plugged in and the AC and refrigerator work great. Asking \$12,500.
Have grown Bull estimate he weighs 1300 pounds, limp in right front
leg \$1000 firm. Have cows in heat and don't want him trying to breed
them. Also would like to purchase 2 dozen or so live Catawba worms.
